

Laminate Ranges

From laminates to taps we offer the complete washroom solution

2018

We are a family business with many years of experience; County Washrooms provide a complete washroom solution for education, office, retail, industrial and leisure environments. Being part of a larger construction company Frederick J French we are also able to offer general building services. So much more than simply supplying cubicles, County Washrooms offers a **complete turn-key service**. From start to finish, County Washrooms takes care of the whole project.

We offer full **Washroom Refurbishment Packages** - stylish, yet durable products carefully put together to meet the functional and aesthetic needs of each unique washroom environment. Each package combines everything you will need for a finished washroom, safely installed by **our own qualified and experienced staff**.
