

PARALINE PLATINUM™

Simple, sleek and modern. Paraline's beautifully crafted streamlined pilasters and headrail bring you a truly contemporary washroom system that is solid, strong and ultra stylish.

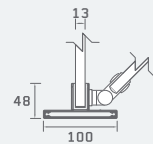

The crisp, clean extruded aluminium pilasters and headrail in elegant Brushed Stainless Steel effect bring you the optimum in washroom cubicles.

For a full range of sanitaryware and brassware available ready plumbed to vanity units and duct panels, see page 48. For more information on our Ready Plumbed Modules, see page 43. * Real Wood Veneer option features an MDF core. ** Structural ceilings are required for floor to ceiling. Suspended ceilings require a headrail. For floor to ceiling Paraline™, specify without a headrail. On floor to ceiling option, pilasters are fixed direct to ceiling, the 30mm clearance applies to doors only.
