

Aspect

Innovative, elegant and robust designer washroom cubicle range with smooth aluminium 'flowform' pilasters.

Aspect

A stylish, high-strength solution for busy washrooms.

Specification

Pilasters/Divisions/Doors:

Panel Spec Options:

Please note we only recommend the SGL Panel Options for Schools and wet washroom environments.

- SGL Core/Face: Solid grade laminate with colour finish to both sides giving 13mm nominal thickness
- Edge: Vertical edges to ensure flush close between doors and pilasters.
All other edge profiles radiused and polished
- HPL Core/Face: High density particleboard faced both sides with high pressure laminate giving 18mm nominal thickness
- Edge: Matching 2mm thick impact resistant ABS lipping
- Panel Detail: Rebated doors/pilasters to create a flush front cubicle
- Colour: From the Dunhams colour selector

Hardware:

All fittings manufactured from high quality polished aluminium

- Pedestals: Stainless steel cylindrical design
- Hinges: Sprung but hinges for self-closing doors
- Indicator Bolt: Stainless steel indicator bolt turn with emergency release facility
- Partition Fixing: Partitions secured with stainless cleats and stainless steel bolt-thru fixings
- Headrail: Box section headrail for maximum strength
